

Secaucus Environmental Department Holiday Recycling Tips

-  **Recycle Used Cardboard & Wrapping Paper**—Purchase wrapping paper made with recycled materials since most wrapping paper is NOT recyclable! Flatten cardboard boxes and recycle. Check out Amazon’s Give Back Box donation program.
-  **Reuse Christmas Cards**—Send used cards to St Jude’s recycled card program or remake into gift tags.
-  **Recycle Your Christmas Tree**—Mulch your Christmas tree. Check DPW for dates and times of Xmas tree recycling and pickup.
-  **Recycle Batteries**— Place old and used batteries into our Big Green Boxes!
-  **Recycle Plastic & Bubble Wrap**—Place plastic bags, plastic and bubble wrap into our Plastic Bag & Film collection boxes at the Recreation Center, Town Hall Lobby and Library.
-  **Recycle Old Electrical Items**—Best Buy will accept any used electrical item you can carry into their store.
-  **Donate Extra Food to a Charity, Church or Food Pantry**
-  **Re-gift Unwanted Gifts or Donate to a Charity Shop**
-  **Buy Less**—Give the gift of a fun experience! Tickets to a movie, play or night out!

Happy Holidays from
Mayor Michael Gonnelli,
Town Council and the
Secaucus Environmental
Department.
